

2021 EDITORIAL FEATURE PROGRAMME

	January	February	March	April	May	June
			Additive Manufacturing/3D Printing			
	5-Axis Machining			5-Axis Machining		
	Automation & Robotics			Automation & Robotics		
			CAD/CAM			CAD/CAM
	EDM			EDM		
		Grinding & Surface Finishing Technology			Grinding & Surface Finishing Technology	
						Honing & Deep Hole Drilling
		Large Capacity Machine Tools			Large Capacity Machine Tools	
	Machining	Machining	Machining	Machining	Machining	Machining
			Machining Centres			
		Profiling & Advanced Sheetmetal Technology			Profiling & Advanced Sheetmetal Technology	
	Quality & Inspection			Quality & Inspection		Quality & Inspection
			Sawing Technology		Sawing Technology	
	Tooling & Workholding	Tooling & Workholding	Tooling & Workholding	Tooling & Workholding	Tooling & Workholding	Tooling & Workholding
		Turning				Turning
Special Reports		Software in Manufacturing supplement		Medical Manufacturing		Aerospace
Subcontracting Solutions	Machined Components, Lasers/Profiling/Advanced Sheetmetal Technology		Machined Components, Aerospace		Machined Components, Lasers/Profiling/Advanced Sheetmetal Technology	
Show Preview Editions		  9-12 March 23-26 March	 20-22 April	 4-7 May	  29 June-1 July 16 June	

July	August	September	October	November	December	January 2022
	Additive Manufacturing/3D Printing					
	5-Axis Machining			5-Axis Machining		5-Axis Machining
Automation & Robotics			Automation & Robotics			Automation & Robotics
		CAD/CAM			CAD/CAM	
		Component Cleaning				
					Cutting Oils & Coolants	
EDM				EDM		EDM
	Grinding & Surface Finishing Technology			Grinding & Surface Finishing Technology		
			Large Capacity Machine Tools			
					Laser & Waterjet Profiling	
Machining	Machining	Machining	Machining	Machining	Machining	Machining
Machining Centres			Machining Centres			
		Materials & Stockholding				
		Profiling & Advanced Sheetmetal Technology				
		Quality & Inspection		Quality & Inspection		Quality & Inspection
